

## SURRY SENDS MEN WITH FREE HANDS

No Instructions, but Considerable Sentiment for Johnson—Mr. Lassiter Speaks.

(Special to The Times-Dispatch.)  
SURRY, VA., May 27.—Monday was Circuit Court day. There was, however, very little business before the court at this term except chancery matters, and as a result of an understanding between Judge West and the attorneys, court adjourned until Friday.

The Democrats of the county assembled in mass meeting in the court room during the recess hour and elected delegates to the Roanoke convention. J. G. Bohannon, attorney for the Commonwealth and county chairman, B. D. Edwards, sheriff, Hon. S. B. Bigham, Jr., Hon. W. W. Baugh, Mr. A. R. Morris and W. S. Burt were elected. No instructions were given, but nearly all the delegates, it is understood, favor Hon. John W. Daniel as one of the delegates-at-large to represent Virginia in the national convention. Governor Johnson also developed some following here, and a good many of the rank and file favor his nomination to the presidency.

Hon. Francis Rives Lassiter was here, and by invitation addressed the voters assembled, much to the gratification of those who heard him. Mr. Lassiter only spoke for a few minutes, but told his hearers of the extravagances of the present administration and somewhat outlined what would be the battery in the coming campaign. Mr. Lassiter was enthusiastically received by his constituents here, and met many of his personal friends and political followers, who crowded around him after his address, warmly congratulating him and promising their support, both at the coming primary and election.

The weather is ideal for this season of the year, and our farmers are happy.

### LANCASTER ELECTS DELEGATES.

Are Against the Primary, But for Bryan and Daniel.

(Special to The Times-Dispatch.)  
IRVINGTON, VA., May 27.—Lancaster county elected to-day in precinct meetings the following ten delegates to the Roanoke convention: W. McDonald, Lee, Frank G. Newell, George P. Squires, J. B. Cralle, J. R. Gresham, R. O. Norris, T. J. Downing, John Curlett, F. W. Lewis, George Cottingham.

The majority of the delegates opposed to the primary, but favor Bryan for President, and Senator Daniel as a delegate-at-large to Denver.

### DRY MAJORITY OF 42,948

Bucombe Leads Among the Counties Giving Prohibition Majorities.

RALEIGH, N. C., May 27.—The returns from the election on State prohibition, as received to-day and tonight at the North Carolina Governor and State prohibition headquarters, places the majority for prohibition at 42,948, figures that are expected to vary but slightly from the official returns. The returns show that seventy-seven counties gave majorities for prohibition and twenty-three against it. The greatest majority was given by Buncombe county, where the prohibition forces won by 4,881 majority.

### Bucombe's Majority.

(Special to The Times-Dispatch.)  
SALISBURY, N. C., May 27.—Later reports from Rowan county to-day indicate a majority of no less than 600 for prohibitionists.

Rev. M. F. Ham, of Kentucky, who has waged war against the Salisbury whiskey houses for a past week, left last night for Asheville.

The temperance workers held their last meeting at the big tent in the city last night, when Rev. Mr. Ham made his farewell speech. By courtesy of the Southern Bell Telephone Company, a telephone was placed in the tent, and bulletins received from all parts of the State, when the great crowd yelled and shouted for joy at the result of the election.

### Loss in Person.

(Special to The Times-Dispatch.)  
ROXBORO, N. C., May 27.—Complete returns show that prohibition failed to carry in Person county by a vote of 110. The drys carried Roxboro, which is considered a great victory by them, as whiskey has always been sold here in some form or other.

### Pasquotank Is Dry.

(Special to The Times-Dispatch.)  
ELIZABETH CITY, N. C., May 27.—Corrected returns for Pasquotank county give 24 majority for prohibition. Currituck, 255 majority for prohibition; Camden, 41 majority; wet; Tyrrell, 200 majority; wet. The majority for wet in Camden county was much less than expected. The prohibitionists are jubilant at the result in Pasquotank county, which was generally counted on for a wet majority.

### Rockingham Dry.

(Special to The Times-Dispatch.)  
RALEIGH, N. C., May 27.—The official vote shows that Rockingham county gave 114 majority for prohibition.

### LIQUOR SALES BY DRUGGISTS.

Charlotte Authorities Working on Plan to Put End to This.

(Special to The Times-Dispatch.)  
CHARLOTTE, N. C., May 27.—With the statutory prohibition measure victorious and the certainty that the State legislature will pass it this year after the first of the year, Charlotte's city fathers, it is understood, are casting about for a plan to take the sale of liquor out of the hands of the drug stores.

The plan under consideration was to take away liquor licenses from the druggists and establish a city medical dispensary for handling liquors for medicinal purposes. But this is prevented by a clause in the new charter. The sales by drug stores the past year have been enormous, and they are paying only a moderate tax. How to stop the abuse of the drug license system and make the town dry is the problem that confronts the authorities on one hand, and on the other is the more serious question of getting revenue sufficient to pay the current expenses

of the municipal government and replenish the city's coffers.

### CANDIDATES FOR GOVERNOR SPEAK IN WINSTON-SALEM

(Special to The Times-Dispatch.)  
WINSTON-SALEM, N. C., May 27.—W. W. Kitchin and Locke Craig, two of the Democratic aspirants for the gubernatorial nomination, addressed audiences numbering about 250 each here to-night. Congressman Kitchin spoke in the courthouse and paid his respects to the Charlotte Observer and the Winston Journal for their opposition in language that could not be misunderstood. Mr. Craig, who spoke in the Elks' Auditorium, made his usual speech. Both candidates received generous applause.

### GIFFEN BENEFIT

The Giffen benefit performance for playgrounds and kindergarten extension to be given on Monday, June 1st, at the Academy bids fair to be a great success. The members of the Kindergarten Alumnae Association are interesting their friends all over the city, and the Federation of Mothers' Clubs is already hard at work in the field. The interest and co-operation of the public at large are earnestly solicited. Tickets can be had of any member of either organization and reserved seats can be secured without extra charge upon presenting these tickets at the box office of the Academy.

### Charter and License.

The State Corporation Commission yesterday issued a charter to the Railway Safety Appliance Company (Incorporated), Staunton, W. A. Higgs, president; J. N. Garber, vice-president; C. A. Crowell, secretary, all of Staunton, Va. Capital, maximum, \$200,000; minimum, \$50,000. Objects, manufacturing railway safety appliances.

A license to do business in Virginia has been issued to the Summit Construction Company, a corporation organized and existing under the laws of the State of New York, a written power of attorney having been filed with the commission appointing H. C. Harrison, of Lacrosse, Va., statutory agent, \$5,000. Objects, contracting business.

### D'ORO MAINTAINS TITLE

Cutting down his opponent's lead by repeated runs, requiring remarkable skill, Champion Alfred D'Oro ably defended his title at the Jefferson Hotel in the series of three pool games with Frank Sherman. At the finish the score stood 600 to 547 in favor of the brilliant-playing Cuban.

Last night Sherman took a good, and what appeared to be a winning lead, until half the game was over. Then the champion began the most wonderful series of runs ever seen in this city, and he finished the victor amid enthusiastic applause by the many spectators. Sherman also made some excellent runs, but the Cuban's gall proved too much for him.

Although D'Oro accomplished the most numerous spectacular shots, Sherman was not lacking in the same. His three-ball combination and breaks, pocketing all the better balls, was an extremely clever piece of work.

The exhibition of fancy shots after the game, such as putting six balls in different pockets at one shot, close draw shots, and other feats of skill, won great applause.

### HOT FAVORITE THE WINNER

### A False Report.

Sporting Editor.—There is a report going around that on the 1st of June that Sieble will be back to play second base, and that Stanley Bigbie will be here to play first, and Blair of the New York Americans will be here to take Boyle's place behind the bat.

This sounds too good to be true, but I would like to know if it is so.

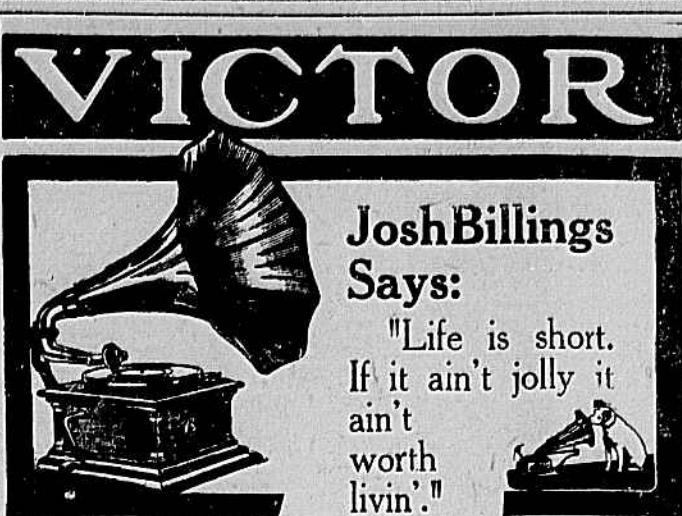

Yours respectfully,  
RICHMOND, Va.

The report is only partly true. Blair is an impossibility, and no attempt has been made to get Bigbie. Sieble is due here next week, but where he will play has yet to be decided.

**Which is which?**  
You think you can tell the difference between hearing grand-opera artists sing and hearing their beautiful voices on the Victor. But can you? In the opera-house corridor scene in "The Pit" at Ye Liberty Theatre, Oakland, Cal., the famous quartet from Rigoletto was sung by Caruso, Abbot, Homer and Scotti on the Victor, and the delighted audience thought they were listening to the singers themselves. At Actor's, the noted Chicago restaurant, when some of the grand-opera stars sang, with piano accompaniment, the diners listened with rapt attention and craned their necks to get a glimpse of the singers. But it was a Victor. In the rotunda of Wanamaker's famous Philadelphia store, the great pipe organ accompanied Melba on the Victor, and the people rushed from all directions to see the singer. Even in the Victor laboratory, employees often imagine they are listening to a singer making a record while they really hear the Victor.

Why not hear the Victor for yourself? Any Victor dealer will gladly play any Victor Records you want to hear. There is a Victor for every purse—\$10 to \$300. Victor Talking Machine Co., Camden, N. J. Berliner Gramophone Co., Montreal, Canadian Distributors.

## S.S.S. HEALS OLD SORES

The deep, underlying cause of every old sore is a bad condition of the blood. This vital fluid has become infected with some germ or poison which prevents the place from healing. This infection may be the result of an inactive, sluggish condition of the system leaving the refuse matter in the body to be absorbed into the circulation instead of throwing it off through the usual channels of nature. Another cause is the weakening or polluting of this life-stream from hereditary taints, or from the effects of a long spell of sickness, leaving disease germs in the system. When the blood is in this condition a sore cannot heal because the impurities with which the circulation is filled are being constantly discharged into the place to irritate and inflame the tissues and further disease the surrounding flesh. The only treatment that can do any good is one that removes the cause, and for this purpose nothing equals S. S. S. It begins at the fountain head of the trouble and drives out all germs, impurities and poisons, and then the place, being supplied with rich, pure blood, heals naturally and permanently. Local applications assist in cleansing the place, but a cure can only be effected through a purification of the blood. Book on Sores and Ulcers and any medical advice free.
